February 7, 2006

Sir:

Applicant received a Notification of Defective Response dated December 27, 2005, bearing a 30 day period for response. On January 27, 2006, Applicant filed a full and complete Response to the Notification of Defective Response, which included an Affidavit signed by an attorney for the Applicant as to the facts regarding an apparent inconsistency in the inventor's name. Supplemental to that full and complete Response, Applicant submits herewith a second Affidavit, signed by the inventor, Kati A. KOHO/Kati A. LEHTINEN, signed in both names, attesting to the formal name change from Kati A. LEHTINEN to Kati A. KOHO on June 7, 2003. This name change occurred too late to formally change the inventor's name in the PCT international application under PCT Rule 92BIS.

It is respectfully submitted that the Affidavit submitted on January 27, 2006, and the Affidavit attached hereto, is sufficient to overcome the issues noted in Notification

of Defective Response dated December 27, 2005. In that the Response which was filed January 27, 2006 was a full and complete Response to the Notification of Defective Response, this Supplemental Response is timely filed.

In the event there are any fees due with respect to this paper, please charge Counsel's Deposit Account No. 50-2222.

Respectfully submitted,

Douglas H. Goldhush

AFFIDAVIT IN SUPPORT OF CHANGE-OF-NAME OF INVENTOR

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

1) I, Kati A. KOHO, hereby certify that I am an inventor of the subject matter disclosed in PCT International Application Serial Number PCT/IB02/02237, published as International Publication No. WO 03/107647 A1.

2) I further certify that, at the time the PCT International Application was filed on June 18, 2002, my name was Kati A. LEHTINEN.

3) I changed my name from Kati A. LEHTINEN to Kati A. KOHO on the 7th of June 2003 due to marriage. A copy of the certificate of name change is attached. By the time the name change was processed, and we became aware of the issue with respect to consistency of names in the International Application, it was too late to change the name under PCT Rule 92bis.

4) A U.S. National stage patent application was filed on December 16, 2004. This was filed as an informal application, with no declaration. In response to a Notification of

Missing Requirements dated June 16, 2005, I signed and our US attorneys' submitted a declaration indicating my changed name of Kati A. KOHO, since that was my legal name at that time.

5) Our attorneys have just alerted us as to the existence of a new Notification dated December 27, 2005; it is understood that the declaration as submitted with the Notification of Missing Requirements on August 10, 2005 was appropriate, and that an affidavit in support of the change-of-name was all that was missing. This affidavit is therefore submitted in response thereto. I certify that Kati A. LEHTINEN and Kati A. KOHO are the same person.

6) It is respectfully submitted, therefore, that this affidavit in support of change-of-name of inventor be accepted, along with the declaration as submitted on August 10, 2005.

The undersigned declares further that all statements made herein are believed to be true and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.
